Could we do earlier and do a tour of sites together? The Congressman has an early start the next morning and it is a 3 1/2 hour drive home from Farmington (not to mention the 3 1/2 hours to Farmington). If not we will do what we can. Thank you.

Let's plan to get our bosses together later this afternoon in Farmington. How about 6 pm? I have a small conference room at our water quality sample processing center.
